

Austin's
wipe away
Drain
Opener

CAP INSTRUCTIONS: To open, place bottle on a solid level surface. Push cap down while turning counter-clockwise. To close and lock, push down cap while turning clockwise until it stops.

IMPORTANT:
READ ALL INSTRUCTIONS BEFORE USING

Open carefully, do not squeeze bottle. Pour slowly to avoid splashing. Keep hands, face, children and pets away from drains while using Austin's Liquid Drain Opener. NEVER use a plunger or pressurized drain opener during or after using this product in the event some of the liquid drain opener may still be present if the drain is not completely clear. Clean up spills immediately. Do not use in toilet.

DIRECTIONS: FOR SLOW RUNNING OR CLOGGED DRAINS • Slowly pour one-half the contents of the bottle into the drain opening. Wait thirty minutes, then flush with hot water from tap. Repeat if needed. For extra tough clogs, let the drain opener stand overnight. The product pours through standing water. Water in the sink does not need to be removed, however, follow safety precautions and do not allow water to splash on skin or clothing. TO KEEP DRAINS FROM CLOGGING • Periodically pour one-fourth bottle into drains following the above directions. For garbage disposals, follow same usage directions and flush with disposal running. Safe on septic systems.

KEEP OUT OF REACH OF CHILDREN

DANGER: Contains sodium hypochlorite, sodium hydroxide and sodium silicate. Do not mix with ammonia, toilet bowl cleaners or other cleaning or drain opening products, as the release of hazardous gases will occur. Avoid contact with eyes and mucous membranes or prolonged contact with skin.

FIRST AID / EMERGENCY TREATMENT: In all cases contact a doctor or poison control center, keeping bottle nearby. EYES - Remove contacts first. Flush eyes with water for 15 minutes. SKIN - Remove any affected clothing. Wash skin immediately with water. If irritation persists, contact a physician. SWALLOWED - Do not induce vomiting. Rinse mouth and drink one glass of water or milk. Get medical attention immediately.

CONTAINS NO PHOSPHATES
